DEALER ONLY!

EUROPE/INTERNATIONAL

A rider on a black motorcycle, wearing a purple helmet with a green visor and a black jacket. The motorcycle has a lightning bolt logo on the fuel tank and a 'DUCATI' logo on the engine. The rider is leaning forward, and the motorcycle is angled towards the right. The background is dark with a diagonal split.

MOTORCYCLE MOTOSHIRT

MEN COLLECTION

Motoshirt Woody
JDL5018

Color: Brown
Sizes: XS - 5XL

Perfect for that streetwear look, Motoshirt XTM® is probably the most comfortable thing you can wear that's still AAA* certified.

The lining in our XTM-Fiber® together with shoulder, elbow and back protectors make this possible. Motoshirt XTM® has two breast pockets with press studs as well as two inside pockets, one with a zipper and one with Velcro.

Defender Monolayer combines our XTM-Fiber® with the outer fabric using a specialised weaving process.

This gives you AAA*-certified motorcycle trousers in only one layer of fabric for a cool and comfortable wearing experience on a hot day. In combination with the knee and hip protectors, this will protect you from anything you might encounter while you're on the road.

Apart from the front and back pockets, Defender Monolayer also has classical cargo pockets and an additional YKK zippered pocket to give you enough space to keep all the things you need for your travels; the stretch fabric in slim-fit Defender Monolayer ensures excellent wearing comfort.

PROTECTORS

Rest assured – Cargo Stroker XTM® is AAA*-certified with lining in our XTM-Fiber® plus knee and hip protectors to keep you protected in every situation.

Cargo Stroker XTM® has two front pockets and one coin pocket as well as secure back pockets with press studs.

Apart from that, you'll find two angled cargo pockets that close tight on the side as well as an additional side pocket with a YKK zipper.

Cargo Stroker XTM® is tailored for a close fit in robust cotton outer fabric for comfort that will always keep you a step ahead.

If you thought that the most stable thing about your ride could only be the metal underneath you, you might be in for a surprise.

Our XTM-Fiber® lining is many times as strong as any metal and will keep you safe in any situation thanks to the added knee and hip protectors.

Ironhead Jeans XTM® give you a slim-fit five-pocket-style pair of jeans with AAA* certification.

The robust denim outer fabric ensures lasting quality that will be part of your gear for times to come.

Straight-cut Original Jeans XTM® give you an excellent basis for a cool look.

These five-pocket jeans come without frills but with lots of comfort and AA certification, making them a perfect allround jeans.

The double-layer design with lining in our XTM-Fiber® along with knee and hip protectors will keep you safe on the road, and the robust denim outer fabric will make sure that these jeans remain a part of your story for a long time to come.

ABSOLUTE PROTECTION THE EASY WAY

The technology in our textiles

AAA-Monolayer with XTM-Fiber®

The XTM-Fiber® innovation gives you a thinner monolayer version that is perfect for the warmer months. Integrated XTM-Fiber® strikes an ideal balance between top protection and excellent wearing experience.

Twolayer XTM-Fiber®

Our specially developed XTM-Fiber® strikes an ideal balance between top protection and excellent wearing experience. The outer layer is extremely abrasion-resistant for maximum protection in a fall. A breathable mixed fibre lining in Coolmax® hugs the skin to keep you cool and fresh.

CE Certification

All John Doe® products are tested and certified according to the most recent CE standard applicable.

Water-repellent and breathable

Most of our products have a dirt and water-repellent coating to keep dirt from the road or the odd rainy spell from spoiling your trip. A breathable mixed fibre lining in Coolmax® hugs the skin to keep you cool and fresh while wicking away moisture towards the surrounding air.

Multistretch

The interwoven Lycra® keeps XTM-Fiber® especially elastic, accommodating your movements as you ride.

Protector ready

Almost all the items in our collection are reinforceable using super comfortable protectors. All you need to do to upgrade your item is to fit the knee, hip or back protectors on your trousers, shirt or jacket for even more impact protection.
